DESCRIPTION

Set on the idyllic Manda Island in the Lamu archipelago on Kenya's Northern Coast, The Majlis is a luxury 25 room boutique hotel with the ambience, comfort and intimacy of a private home. A unique blend of contemporary and traditional styles, The Majlis offers the very best of Lamu. With a superb beachfront location and breathtaking views over the Ras Kitau bay and Shela village, it presents the perfect setting and ideal position from which to explore the region.

The Majlis blends seamlessly with its island surroundings, making use of the area's natural resources and traditions including hand-carved timber and white coral blocks. Each of the hotel's air-conditioned rooms is unique in character and style, and features traditionally high beamed ceilings and terraces with spectacular views of the beach, landscaped gardens or mangrove forests. Tastefully designed and decorated to reflect the heritage of East Africa, The Majlis houses an exquisite private collection of art mixing local traditional influences with a contemporary twist.

HOW TO GET THERE

Many international flights fly into Kenya, offering good connections from Paris, London, Amsterdam, Milan and Dubai. Lamu can be reached by air from Kenya's most important airports: Nairobi (JKIA), Mombasa and Malindi.

- Scheduled Air Kenya, Safari Link and Fly540 from Nairobi to Lamu, direct no-stop flight or via Malindi
- Book online or through Travel Agent.

All flights land on the airstrip in Manda Island, just across the channel from Lamu. The spirit of the Majlis begins with a warm welcome from a guest services representative the moment you step out of the airport arrivals hall in the Manda airstrip. You'll be escorted to the main jetty and then to our own motorboat for a 10-minute cruise to the resort.
